Sir,-

N.W. ¼ of Sec. 27 Tp. 61 Rge. 5 W. 5th Mer.

I am in receipt of your application for the privilege of taking a second homestead, and I beg to inform you that pursuant to the Act I have the power to grant such privilege to certain settlers, who have obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homestead terms.

I am therefore, if you are the person who obtained patent for the quarter section above mentioned, and provided this is the only land for which you have obtained homestead patent, prepared to accept the transfer to you, and the registration and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be sufficient authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided you are aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are interested in this Department's proposal, the land taken under the authority of this letter will be subject to such liabilities.

Dear Sir:

Re: S.E. 24-42-10-W4

This Department has an old account against the above noted land for advances of seed grain to Donald MacDougall in 1911.

As we have been informed that this is Crown Land, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

Re: SW¼ 2-42-10-W.4th Mer.
Your file No. 2-4919

I have your letter of the 30th ultimo, in which you request to be advised of the present standing of the above land, and if it is likely to be used again for farming purposes.

This quarter section which contains 154.40 acres is presently held under Grazing Permit by G. O. Boord, of Hardisty, Alberta. This Grazing Permit expires on March 31st, 1953, and Mr. Boord has prior right of renewal if he so desires.

According to an Inspector's report on file, the land is best suited for grazing, owing to heavy clearing and lack of rainfall in dry years. It is not likely that this land will be farmed again.

Yours truly,

E. P. Shaver,
Act. Director of Lands.

Re: Account of Donald MacDougall
S.E. 24-42-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $145.37 was advanced to Donald MacDougall on the security of the above mentioned land. A payment of $57.60 was received in 1927 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 145.37	$ 277.72	$ 423.09

The S.E. 24-42-10-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919. His entry was later cancelled and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 30th of December 1952, E.P. Shaver, Acting Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This quarter section which contains 154.40 acres is presently held under Grazing Permit by G.O. Boord, of Hardisty, Alberta. This Grazing Permit expires on March 31st, 1953, and Mr. Boord has prior right of renewal if he so desires.

According to an Inspector's report on file, the land is best suited for grazing, owing to heavy clearing and lack of rainfall in dry years. It is not likely that this land will be farmed again."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

10. Subsection three of section seventy-seven of the said Act, as enacted by section three of chapter twenty-seven of the statutes of 1914, is amended by adding the following proviso thereto:

Provided also that on the completion of the requirements under this section for obtaining letters patent for a pre-emption, other than the payment for the same in the manner aforesaid an application for letters patent may be made without immediately tendering payment in full and in such a case the holder may on application to the Minister receive a certificate of recommendation in the form from the Secretary of the Department, that if within the period of one year from the date of the certificate of recommendation, is in force, payment in full of the purchase price of the land mentioned therein, together with interest, letters patent shall issue to the person entitled thereto, and such certificate shall entitle the holder to the same rights and privileges as if letters patent had been issued to him, and no forfeiture for non-fulfilment of settlement conditions shall be incurred during the currency of such certificate of recommendation, and no assignment or transfer of the land mentioned therein shall be necessary in order to vest the title in the person entitled to receive letters patent as aforesaid, but the Minister may, in his discretion, cancel any certificate of recommendation and demand repayment of the purchase money, with interest at five per cent per annum from the date of the issue of such certificate of recommendation, in any case in which it appears to him that the settlement conditions have not been performed.

Section 11 of the said Act makes it compulsory for homesteaders

In reply to your letter of June 4th, I may say that the usual form of affidavit or solemn declaration does not appear to have been obtained from the settler in this case. I am referring to the declaration, furnished when the settler's name is spelled in different ways, giving the correct spelling and stating that he is the person whose name in his application for patent is spelled differently than in his certificate of naturalization.

Our records do not show the name appearing on the certificate of naturalization in this case.

I have received your letter of the 6th instant, No. 2844, concerning the status of one Ignace Oszust of the N.E. ¼ of 23-33-3-w. 4th Meridian, Setter, P.O., Alberta.

In my letter to J. The foregoing is the spelling of the name and the precise particulars which appear in our records.

I have again examined our files and in addition to the naturalization of James Oszust, I have found that one Ignes Oszust, a farmer, of Munlbach, Alberta, of former U.S.A. nationality, was naturalized through the District Court, Medicine Hat, Alberta, on the 16th January, 1914.

I have no means of knowing whether or not the James Oszust and the Ignes Oszust who were naturalized at Medicine Hat, Alberta, on the same date in 1914 are identical persons. It is quite apparent, however, that we have two

The above named settler secured advances from the Board totalling $5100., the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Sheldon requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Sheldon states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the Board and the settler, dated November 14th, 1924 and December 24th, 1924, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921,(P.C.1041), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ of 10-26-14-W.4th M. and the S.E.¼ of 10-26-14-W.4th M. be vested in the Soldier Settlement Board. Copy for A.W.H., Calgary, Alberta.
Copy for file 2445058.

Sir,

I have to acknowledge receipt of your letter of the 18th ultimo, with enclosures, relative to the application of [illegible] for a homestead entry for the S.E. 1/4 of Section 4, Township 18, Range 14, West of the 4th Meridian, Alberta.

It is observed that the area granted by the Soldier Settlement Board is 15 acres, whereas the area mentioned in the letters patent has it appears been computed from the measurements and is 14 acres. The revenue is entitled therefore to receive for the extra 1 acre. The area granted by the Board is 4.1 acres, whereas the area to which the Crown is entitled at 4 acres only, that is [illegible] of the total area of the 15 acres.

I would in this matter suggest that the Secretary of the Board call upon [illegible] to pay the Crown, there, the value of 4.1 acres of land.

I beg to acknowledge the receipt of your letter of the 8th instant, enclosing to the Department for the above described land leased to the Alberta Railway and Coal Co., in order that the area in the lease might be amended to read 4.81 acres instead of 4.85 acres, and in reply to inform you that the amount in question has been cancelled and a new lease issued in favour of the said Company for the 4.81 acres, the lease of which, however, requires that the first payment of rental be made on the 14th April, 1915, which, however, refers to the 1st February, 1915, the date of the cancelled lease.

The new lease in which the area was reduced to 4.81 acres was forwarded to your office under cover of my letter dated the 22nd April, 1915.

4th October, 1929.

Sir,

S.E.¼ 5-26-14-W.4th Meridian,
Homestead - Mrs. Elizabeth Sheldon (dec'd).
D.L.S. File No. 3-1182.

Under date of the 21st August last a request has been submitted to have the above land vested in the Board under Section 27 of the Soldier Settlement Act. It is noted that this Vesting Order is submitted as a result of salvage proceedings which were instituted in connection with the loan advanced Frederick P. Sheldon whose homestead and soldier grant already have been patented to the Board.

In reply I am to point out that according to the records of the Department Frederick P. Sheldon's only interest in the S.E.¼ 5-26-14-W.4th Mer., is in his capacity as one of the heirs of the late Elizabeth Sheldon. Furthermore, as this land never stood in his name it would not appear to be chargeable within the meaning of the Soldier Settlement Act on account of the loan advanced to him by the Board.

Under the circumstances, it is requested that you kindly have the loan charge withdrawn from this land. The Department will then be in a position to consider the issue of patent in the name of the legal representative, The Trusts and Guarantee Company Limited. After patent has issued, the question of any claim which the Board may have against the estate might be taken up with the Trusts and Guarantee Company.

Dear Sir,

Re [illegible] Paul Tymczyk.
" [illegible] Pete Trewski.

I beg to call your attention to the fact that these three parties have obtained their naturalization papers of falsely claiming that they were citizens of the United States, the truth being that they were subjects of Austria-Hungary. Pete Trewski had been only two years in the United States during which time he resided at Milton, North Dakota. He came to me as a Commissioner for Oaths to get his naturalization application filled out and swore that he was a subject of Austria. The Clerk of the Supreme Court of Calgary wrote to me that Pete Trewski's application could be suspended until after the War. Pete Trewski then went to Mr. J. Howard Alexander, another Commissioner at Cyen and swore that he was a citizen of the United States.

Paul Tymczyk was about a year in the United States, and Canada before finally coming to Canada to take up land. [illegible] time of that homestead at Stirling, Alberta. He made [illegible] naturalization [illegible] finally got [illegible] United States.

I ask you to give the matter your attention and to write me in due course. I refer you to Section 6 of the Naturalization Act (Revised Statutes Canada, Chapter 77).

My information is that all three parties have proved up their homesteads and it is possible that at least one of them has got his patent.

Please read letter from Mr. F. C. McClean hereunder, dated 20th April last, being reference No. 3711683, and which is self explanitory.

Mr. McClean reports that the parties referred to obtained their naturalization papers by falsely making oath that they were citizens of the United States, the truth being that they were subjects of Austria-Hungary.

As certificates of naturalization had been produced it appears that this is a matter which does not come under the jurisdiction of this Department, but the same is being submitted in order that you may decide whether the matter should be referred to the Department of the Secretary of State.

Mr. Grey.

Re Pat. Application No. 30-20-0-94 of
Mr. of Joseph Arewski.
Patent applied for
19th April, 1916.
Recommended.

Representations having been made that Mr. Arewski, together with others, has fraudulently obtained his Certificate of Naturalization by claiming to be a citizen of the United States of America, while actually he was a subject of Austria, the case was submitted by Mr. Stafford on the 31st May, 1916, file 2172624, and in accordance with the Deputy Minister's instructions, a copy of the complaint was transmitted to the Secretary of State for such action as he may deem necessary.

Mr. Arewski's application for patent is now to hand, and I beg to submit whether or not any further cognizance is to be taken of the fact that the validity of the Certificate of Naturalization furnished by Mr. Arewski in connection with his application for patent has been impeached.

Dear Mr. Malvey,

It has been represented that Messrs. Paul Zygmant, Pete Krewski, and Joseph Krewski, all of Merryland, Alta., have fraudulently obtained naturalization as British subjects by claiming to be citizens of the United States of America, while, actually, they are subjects of Austria. You will perhaps recollect that you were written to on the subject by the Secretary of this Department on the 10th ultimo.

In the case of Paul Zygmant, patent has already issued for his homestead in view of which the Department is scarcely warranted in taking action in the matter at this late, but with regard to the remaining two, patents have not been issued for their respective homesteads and before taking further action in this connection, I shall be obliged if you will advise me whether you have any information on the subject of their original nationality, and whether there is proof of record in your office, to support their claim of foreign nationality, either by birth or naturalization.

Yours very truly,

Deputy Minister.

Memorandum:--Mr. Hume.

NW¼ 30-30-3-W.4th M.,
Hd. of J. Krewski,
Date of entry 31st July, 1912,
Patent applied for. Recommended.

The applicant for patent in this case is one of the three men against whom a complaint has been made to the Department by Mr. F. C. McLean, Barrister of Oyen, Alberta, to the effect that he obtained his naturalization papers by falsely making oath that he was a citizen of the United States while actually he was, it is alleged, a subject of Austria-Hungary.

The case of Paul Zygmant, one of the other two men, was submitted by Mr. Stafford on the 31st of May, 1916 and the Deputy Minister decided that as patent had already issued, the Department would scarcely be warranted in taking any action beyond bringing the matter to the attention of the Under Secretary of State.

When Mr. J. Krewski's application for patent was received, the case was submitted by me on the 30th ultimo.

On the 5th instant, the Deputy Minister wrote to the Under Secretary of State for information regarding the nationality of the three men in question. The Under-Secretary's reply is now to hand under date the 7th instant.

It would appear from the enclosures accompanying the Under-Secretary's letter that the entrant in this case when applying for naturalization, claimed to be an American citizen. It further appears that the Under Secretary of State takes the position that if an offence has been committed by the entrant, it would be primarily an offence of perjury and that, therefore, it is a matter for the Provincial Authorities to deal with as the administration of justice rests in their hands.

So far as this Department is concerned Mr. J. Krewski appears to have complied with the requirements of the Act to entitle him to patent. He

apparently

apparently completed the requisite settlement duties, he is a British Subject and has produced a Certificate of Naturalization, the authenticity of which is unquestioned.

Kindly state what action should be taken in this connection.

Ottawa, 18th June, 1918.

Sir,

I have the honour to inform you that a copy has been transferred to this Department of your letter of the 10th April last, addressed to the Controller of the Land Patents Branch, Department of the Interior, in which it is stated that the Oaths taken by Paul Zyzmart, Pete Krewski and Joseph Krewski in applying for naturalization contained false statements.

Primarily, the crime committed is perjury. It is also an offence against the Naturalization Act, Chapter 77 of the Revised Statutes of Canada. The administration of justice is primarily with the Provincial Government, and the matter should be submitted to the Attorney-General of Alberta. The Department is anxious that offences such as this should be strinuently dealt with, and if the Provincial Authorities will take no action, I shall be glad to hear from you further on the subject.

MEMORANDUM:

Mr. Hume,

Application for patent,
Mr. Joseph Krewski.
For the E. ½ of 30-30-3, W. 4th M.
Recommended.

This man has performed the necessary residence and cultivation duties and also furnished his certificate of Naturalization as a British subject. A complaint was received that Mr. Krewski had fraudulently obtained his Certificate of Naturalization by claiming to be a citizen of the United States of America, while actuall he was a subject of Austria.

The matter was referred to the Secretary of State and the Under Secretary of State wrote to Mr. McClean, Barrister, Lyon, Alberta, who made the complaint, stating that this matter should be submitted to the Attorney-General of Alberta and that the Provincial authorities would take no action to refer further to him.

On the 9th of August, last, the Acting Under-Secretary of State forwarded a copy of a communication received from Mr. F. C. McClean, stating that he had referred the matter on the 15th of June, to the Attorney General at Edmonton, who under date of the 30th of the same month, wrote that he doubted whether the Department would go to the expense of printing either of the two books as they were considerable distance away.

A similar case was submitted to Mr. Stowell on the 5th of October, and it was decided that as a Certificate of Naturalization had been furnished and that the homesteader in this case had complied with the conditions of the entry that he was entitled to the issue of Letters Patent for his homestead.

I enclose a copy of [illegible] to Mr. Stowell and also copy of the memorandum of Mr. Stowell's.

I presume that a view of Mr. Stowell's opinion in this case that no further action is necessary in regard to the complaint made against Mr. Krewski and that Patent will [illegible].

I wrote you on the 5th July in regard to a complaint which we had received from Mr. F. C. McClean, Barrister, of Cyen, Alberta, to the effect that these three parties had obtained naturalization by falsely making oath that they were citizens of the United States, being in reality subjects of Austria.

In a reply received from your Department on the 7th July, it was stated that you had written to Mr. McClean intimating that the matter should be submitted to the Attorney General of Alberta, and asking Mr. McClean to advise you further if the Provincial Authorities did not take action.

On the 9th August, your office sent us a copy of a letter from Mr. McClean bearing date the 4th of that month in which he states that the Attorney General's Department at Edmonton doubted whether it would be advisable to go to the expense of bringing back the two men named Krewski.

In two of these cases patent appears to have issued, namely, [illegible] and Paul Szymanski, but the application for patent of Joseph Krewski is still held up here awaiting a decision in regard to his naturalization.

Perhaps you could let me know what action your Department has taken or proposed to take on the complaint made by Mr. McLean.

Yours sincerely,

I wrote you on the 5th July last, and on the 28th ultimo, in regard to a complaint which we had received from Mr. F. C. Your reply of the 6th instant does not definitely set out whether or not your Department proposes to take the matter up further with the Attorney-General of Alberta, and I would be greatly obliged if you would kindly let me know whether it is your intention to proceed further in the matter.

Re .2 [illegible]-D-1.4th M.
Application for patent,
Joseph Trzeski.

In this case statements have been made that the certificate of naturalisation was improperly obtained.

The facts of the case so set forth in my report of the 16th instant on which you made the following note,-

"The matter of prosecution in such "cases and that of expenditure in con- "nection therewith do not concern this "Dept.

"What is required is that the Secy. of "State say if the certificate of naturali- "zation issued is confirmed by him or not."

A letter was accordingly addressed to the Under Secretary of State who now replies as follows,-

"You state that you would like to have "a statement whether the certificates of "naturalisation would be confirmed by this "department or not. This Department has no "jurisdiction or authority to confirm the "certificates. The sole responsibility "respecting naturalization under Chapter 77 "of the revised Statutes cast upon this "Department is to receive returns from "the Clerks of Courts, prepare an alphabetic- "al list, and furnish certified copies when "required. The only authority conferred by "this statute for the cancellation of certi- "ficates is provided by section 66, which is "to the effect that every person who wilfully "swears falsely, or makes any false affirmation "under the act, shall, on conviction thereof, "in addition to any other punishment authorized "by law, forfeit all the privileges or ad- "vantages [illegible] "[illegible] "[illegible] "[

this settler and as the Attorney-General of Alberta has stated that his Department will not institute prosecution it would appear that unless the Minister of the Interior desires to take up the case, the only alternative will be to accept the certificate of naturalization at its face value and proceed with the issue of patent to the Homesteader.

This case is perhaps of more than ordinary importance because it is very probable that before the war is over we will have numerous attempts or alleged attempts at fraud in connection with naturalization certificates.

Respectfully submitted,

Department of the Interior.

Canada.

2nd December, 1914.

Mr. Greenway

In view of the statements set out in Mr. Hume's memorandum of the 17th ultimo, I suggest that certified copies of all documentary evidence on file in this Department, which supports the belief that Joseph Krevzai fraudulently or improperly obtained his Certificate of Naturalization as a British subject, might be prepared and sent to Mr. Lawrence J. Clarke, Clerk of the Supreme Court of Alberta, one of whose Justices, the Honourable F. L. Walsh, granted such certificate. It is attached as Ref. 3715471, to file No. 2169409.

I do not consider it is proper for any one connected with this Department to have legal proceedings commenced at the instance of this Department against Krevzai in the matter.

Sir,

I am directed to inform you that one Joseph Krowski made application for homestead entry for the N.W.¼ of 30--30--3, W.4th m. on the 28th July, 1912. In this application he stated that he was a subject of the Kingdom of Austria and that he had been born in that country.

Mr. Krowski was granted homestead entry.

Mr. Krowski applied for patent for the above described land on the 5th April, 1916, and in support of the same he filed a Certificate of Naturalization, showing that he had become a British subject. In this certificate it is set out that Mr. Krowski was formerly of Milton, N.D., U.S.A. Nothing is said about his having been an Austrian subject.

On the 20th April, 1916, Mr. F. C. Mclean Barrister, of Lyon, Alberta, called the attention of the Department to the fact that he had evidence that Joseph Krowski had obtained his Certificate of Naturalization by falsely making oath that he was a citizen of the United States. Mr. Mclean also set out that Joseph Krowski had only lived for seven months in the United States and that he resided all

Sir,-

M.L. [illegible] Sec. 24 Tp. 65 Rge. 4 West 4 Mer.

Referring to your application for the privilege of taking a second homestead, I beg to inform you that during the present session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto, on or before the 1st January, 1922, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

N.W. ¼ Sec. 8 Tp. 67 Rge. 21 West 4 Mer,

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

The suit is a day late and a dollar short in Edmonton and as it appears that there is no likelihood of collection from the personality of any portion of the debt.

I therefore recommend that it be written off as uncollectable both in so far as it affects Fournel's liability to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Dear Sir:

Re: Napoleon Fournel - Relief Indebtedness
M.D. of Cartier #637 - S.E. 31-64-21-W.4

In April 20, 1920 Napoleon Fournel, the younger, obtained a relief advance of $88.10 from the Municipal District of Cartier #637. He has made no repayment. With interest to December 31, 1931 he owes the undermentioned sum:

Principal	$88.10
Interest	72.15
	$160.25

He was at that time residing on the S.E. 31-64- 21- W.4th of which Napoleon Fournel, the elder, his father, was registered owner. The father is still registered owner of the property and has applied for release of the lien which was registered on the certificate of title to that property without his consent, to secure repayment of this relief advance. He has made a solemn declaration to the following effect.

"1. I am the registered owner of the South East quarter of Section Thirty-one (31), Township Sixty-four (64), Range Twenty-one (21), West of the Fourth Meridian in the Province of Alberta.

2. I never received from the Municipal District of Cartier No. 631 any advance for any in connection with the above land.

3. I never authorized my son to obtain such an advance.

4. I had no knowledge of the application for such an advance.

[illegible] of Cartier, [illegible].

The Seed Grain and Relief Adjustment Board, [illegible] under Order in C. C. 3800, hereby recommends that the Joint Relief Lien thereon against the S.E. , 31-64-11-4. 4th Mer., for advances made to Napoleon Fournel Sr., by the Municipal District of Cartier No. 637, be discharged.

The Board submits the report of the Director, Relief Adjustment Act, dated February 1st, 1937, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor was residing on the S.E. , 31-64-11-4. 4th Mer., but was not the registered owner of said land.

2. That at the time the advances were made title to said land was registered in the name of Napoleon Fournel Sr., who is still the owner of the said land.

3. That the registered owner has submitted satisfactory evidence showing that the advances were made to the debtor without his authority, and that he did not consent to the Relief Lien registered against the said land.

4. That it is desirable that the Lien be discharged owing to the fact that the registered owner did not consent to the advances being made to the debtor.

5. That it is reported that the debtor is now earning a sure living as a casual laborer and has practically nothing from which the Relief Lien could be realized.

Sir:-

NE¼ 7-41-½-4. 4th Mer.

Referring to your application for homestead patent for the above described land, I am to direct your attention to the cancellation proceedings which have recently been instituted against your entry on the ground that there are no improvements on your homestead. As in your application for patent you claim 4½ acres broken, it is thought desirable to bring this matter to your attention in order to give you an opportunity of making any statement you may wish to make and of offering an explanation, if possible, as to the actual reason for cancellation proceedings being instituted against your entry.

I am also to point out that one of the witnesses in support of your application for patent, Mr. Albert Grenat, did not answer questions 11 and 12 of his evidence, namely:

11.- Have you any interest, direct or indirect, in this application?

W. W. Stringer, Esq.,

Box

Saskatchewan.

12.- Do you [illegible] claimant has acted in good faith in obtaining his entry and in making his application for patent?

It will be necessary therefore, for Mr. Prarat to supply answers to these questions on the enclosed blank form of statutory declaration, which document should be executed before someone authorized to take affidavits.

You will be required to furnish the Department with your Certificate of Naturalization as a British subject.

DOMINION LANDS BRANCH

In reply to your letter of June 6th I beg to enclose affidavit of Alterkrust and wish to say that the statement in regard to the 4½ acres of breaking which was done is correct.

I am informed that the cancellation was done through a mistake of the Sub Agent at Sedgewick, Alta. A party by the name of Donald Campbell McDonald of Chur wished to make a cancellation on the SE¼ 7, 41-17 W. 4th M. and he claims he gave the Sub Agent a piece of paper with the description of the land on it and that he made the error in writing the description. I trust this will explain matters satisfactorily. I am,

Yours truly, Chas W Mingle

With reference to the application for patent of Mr. A. D. In as much as the document has not been received here, the consequence of which the application for patent is held up, I am to ask you to be good enough to take whatever steps may be necessary to locate the certificate as far as possible without expense to Mr. Ettinger provided you are satisfied that the statement made by him is in accordance with the facts.

Sir,

With reference to your application for a tent for your re-entries in [illegible] 24-41-5-W. 4th M., I beg to inform you that, according to the evidence furnished, you have only completed five full terms of six months' residence in connection with your homestead and pre-emption, whereas the regulations require the performance of six months in each of six years. You would appear to be twenty-four days short in the last term of residence and, under ordinary circumstances, you should be called upon to perform a further term of six months' residence, either on the pre-emption itself or on your patented homestead. If, however, you will pay in full for the re-entries by the 1st of November next, the shortage of twenty-four days will be overlooked, otherwise it will be necessary for you to perform a further term of six months' residence.

The following is a statement of your re-entries account:

1st instalment $75.10 and interest on same from the 24-7-15 to the date of payment.
2nd instalment $37.04 and interest on same from the 24-7-16 to the date of payment.
3rd instalment $37.04 and interest on same from the 24-7-17 to the date of payment.
4th instalment $37.04 and interest on same from the 24-7-18 to the date of payment.
5th instalment $37.04 and interest on same from the 24-7-19 to the date of payment.
6th instalment $37.04 and interest on same from the 24-7-20 to the date of payment.

From and after October 1st, 1919, interest is computed on all overdue instalments [illegible] unpaid, at seven per cent per annum instead of at five per cent.

Kindly advise the Department within thirty days from this date what your intentions are in regards to this matter.

OTTAWA, 18th February, 1930.

Sir,-

S.E. ¼ of Sec. 30 Tp. 64 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I have to inform you that an amendment to the Dominion Lands Act was passed, and was granting to settlers, who had before 1st January, 1918, become entitled to enter for their second homestead the right to make such second entry on the usual homesteading terms.

Therefore, if you are the person mentioned in patent for the quarter section above described, and previously this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be the authority for granting you a second entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or homestead second entry will not be permitted to abandon the same in favour of, or in favour of a relative for the purpose of making entry for the land as a pre-emption homestead.

If you are interested in securing a permit for seed grain or relief, the land taken under the authority of this letter will be subject to such encumbrance.

This disagrees with a report made by a Homestead Inspector in June, 1920, to the effect that only thirty-six acres had been cultivated and that the whole half-section had only forty acres which were fit for cultivation.

You will see, therefore, that there are no available moneys to be applied on account of your outstanding seed grain indebtedness.

The amount owing against this land in this nature is still registered as a charge against you, and you should make every possible effort to pay the amount owing at the earliest possible date.

Re: Account of Joseph Cox
N.W. 23-32-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $106.02 was advanced to Joseph Cox on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 106.02	$ 245.40	$ 351.42

The N.W. 23-32-10-W4 was formerly the property of the debtor on which security he obtained an advance of seed grain in 1919. His entry was cancelled on the 21st of July 1925 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 7th of February 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by a long term grazing lease as issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

On the 21st of January last we wrote and sent you the original claim of Thomas Dow and Association [illegible] of mechanic's lien against the above land. The claim appeared on a statement from the contractor. It now appears that this claim was sent in error, the contractor, one W. We have since searched the records in said Land Titles Office at Winnipeg and cancelled the said lien against [illegible]. Dear Sir: Re - Peter Augustin Estate

I refer to Seed Grain Lien #2790 S. G. made by Fred W. Cohrs to the Crown for the amount of $8415, registered on April 1st, 1916 #23221, against the S.W.¼-1-34-20-W.4th. I will state briefly my position with regard to this lien. The above named was a patient at the Provincial Mental Hospital for a period of time from February 15th, 1934 until August 25th, 1935, on which date he was released into the care of his relative, Fred W. Cohrs at Rumsey who had been operating his farm under lease from this office. The said Cohrs was indebted to Mr. Augustin in the amount of $800.00 covering his land above mentioned, and without reference to this office, Mr. Augustin has proceeded to make a settlement with Cohrs by accepting delivery of a transfer from him of the said land in settlement of the mortgage indebtedness, which transfer, Augustin has had registered in the Land Titles Office, and the land is now registered in his name. Whether or not he made a search of the title before following this procedure, I do not know but he gave Cohrs a note for $100.00 which Cohrs has now presented to me for payment.

Upon searching the land I find the lien aforesaid recorded against the same and since Augustin is now the registered owner, it will presumably be responsible for the payment of the said lien. I should be glad if you would advise me the amount of the indebtedness owing in respect thereof, and under the circumstances what the Department will accept in full settlement of the said indebtedness so as to have the lien cleared from the title.

Dear Sir:-

I am advised by Henry J. Wilson, Acting Administrator of Estates of the Mentally Incompetent, Edmonton, Alberta, that a lien made by Fred W. Cohrs for the amount of $83.15 is registered as #2790 R.C. against title to the above described land.

Under date of the 30th March, 1918, an abstract of title was secured, covering the S.½ 1-34-20 W.4th, which did not show any seed grain lien registered against title. As I am unable to trace the lien for $83.15, would you kindly advise me the land against which it was specifically given and any other particulars you may have concerning the registration.

Madam,

I beg to acknowledge the receipt of your letter of the 10th instant in which you state that Mr. H. T. Judd did not complete the duties in connection with the above described half-section, and in reply to say that according to the records here he obtained homestead patent on the 4th December, 1914, and pre-emption patent on the 10th August, 1918. The records here show that he completed sufficient duties to entitle him to patent in 1915.

If, however, you still claim that he never lived on the land for six months in any one year you should lodge your complaint in the form of a statutory declaration and have your evidence corroborated by at least two witnesses who are cognizant of the facts. Sir,-

S.E. Sec. 22 Tp. 25 Rge. 15 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir,

re Nicholas Archniw

Would you kindly advise if you have any trace of the naturalization of Nykola Archniw or Nick Archniw. He was supposed to have obtained his certificate about 1913 or 1914 just before the elections, at Edmonton, Alberta. He states that he did not appear in court before a Judge but simply applied through some one before the elections and was produced a certificate. He has lost it however and has no copy of it.

It would appear that if we cannot find any trace of it he would have to apply again.

We have searched the Clerk's office at the Court House, Edmonton, and he seems to have no clue to it. Mr. Archniw in 1913, 14 was about 22 years of age, single.

Yours truly,

Re: Nykola Mamchiw.

Your letter dated the 24th of November, 1948, requesting information concer[illegible] the naturalization of the above named, has been received in this office.

In reply, I may advise you that our records do not contain any reference to the nat[illegible] of Nykola Mamchiw other than his statement, when he obtained homestead entry for the S.E. [illegible] of 2-55-17-W.4th, that he was a British subject. The date of the entry is August 26th, 1913. I might also say that, if he had applied for patent, he would have been required to furnish proof of British Nationality but he abandoned the land in May, 1914 on account of illness.

Re - Joseph Kura.
Your Ref.-5714-20 Nat.

Referring to your letter of the 29th ultimo, addressed to Mr. Joseph Kura, I am to inform you that Mr. Kura made application for the issue of Letters Patent for his homestead, the South East quarter of Section 27, Township 32, Range 16, West of the 4th Meridian, on the 10th July 1915.

The evidence furnished shows the completion of the settlement duties required by the terms of the entry but the application has not been approved as it is considered incomplete without a ~~application for~~ Certificate of Naturalization as a British subject, or without a Certificate in form "K".

As it would appear from the information contained in your letter that Mr. Kura is eligible for a certificate in form "K" under Section 4 of 10, George V, Chapter 13, I would request that the certificate be transferred to this office at your earliest convenience in order that the application for patent may be disposed of.

Re: Joseph Kurz,

In reply to [illegible] letters of July 17th and 19th, I may say that Joseph Kurz, [illegible] of age, born in Westphalia, Germany, obtained entry for the [illegible] 17-11-15- .4th Pet., on June 28th, 1911. When he applied for patent for the land on July 11th, 1914, he stated that he had applied for naturalisation as a British subject. The Department of the Secretary of State furnished form "K" number 1154, dated December 16th, 1920. This form certifies that the applicant was duly admitted by the Court a fit and proper person to receive letters patent.

I am not aware whether or not Certificate of Naturalisation finally issued to Mr. Kurz, and I am asking the Chief, Naturalisation Branch, the Under-Secretary of State, by a copy of this letter, if he would please furnish you with this information.

Dear Sir:

About 1908 one JOSEPH WEST, whose place of birth is unknown but believed to have been born somewhere in Europe, filed on a homestead which was located about eight miles southeast of Craigmyle, Alberta, and one-half mile south of a school known as the Alfred School.

This office has under investigation one Bruce Eddie West, a son of the above named Joseph West, and to aid in determing his nationality status I would appreciate it if you would advise me at an early date as to the information given or evidence presented by Joseph West as to his citizenship at the time of the issuance of the patent to the homestead.

Thanking you in advance for your cooperation in this matter, I remain,

MYM ROBSON:

Mr. Perrin

Re: Ferdinand Mukkanen,
N½ 2-26-8 W.4th M.

Under the legislation authorizing the apportionment and adjustment of the seed grain, fodder and relief indebtedness, the Adjustment Board of Alberta has submitted a report dated the 23rd ultimo, marked hereunder.

The indebtedness in this case consists of advances as follows:

Year		FEDERAL	
	Principal		Amount 31.3.29
1915	$159.60		$255.45

The Board represents that the Municipal District of Collholme, No. 243, acquired title to the NW¼ under tax sale proceedings but have not meantime made a sale of the land, consequently no adjustment has been recommended. The NE¼ is described as situate just north of the boundary of the Tilley area and is in a very dry district, having a low valuation. It is the opinion of the Board that it would be a serious handicap to the present entrant to require him to assume any portion of the liens and any amount allotted might cause him to abandon the land as a non-economical proposition it being stated that the moneys and labour in the performance of homestead duties will exceed the value of the land.

From a perusal of the report I am of opinion that the conclusions are just and equitable. It will be observed that there is a probability that when the Municipality make a sale of the NW¼ the Adjustment Board will be appealed to for some reduction of the indebtedness. In order, therefore, to obviate the necessity of approaching Council twice in connection with the same case, I would respectfully suggest that the entrant for the NE¼, Mr. Lordblow, be advised that he will not be held responsible for an apportionment of the indebtedness as assumed, which should be satisfactory to him. It may reasonably be assumed that the Municipality will make representations as soon as a sale has been effected in connection with the NW¼. It would therefore seem desirable that Council be not approached in the meantime and action might be taken to delete the charge from the NE¼ in the records of the Department.

6th June, 1929.

To His Excellency

The Governor General in Council.

The undersigned has the honour to recommend that under and by virtue of the provisions of Section 4, of the Act 17, George V., Chapter 51, approval be given to the report of the Committee appointed by Order-in-Council, and that the necessary action be taken to remove from the records of the Land Titles Office in so far as the North East quarter of Section 2, Township 8, Range 6, West of the 4th Meridian is concerned, the registration of all liens given as security for the following advances:

The Department has under consideration the claims of William Victor Morgan, D.C.M., M.M., regarding a half-section of Dominion Lands for which he holds homestead and pre-emption entry, in connection with which he is entitled to credit for the time he was on military service during the late European War.

According to evidence furnished by Mr. Morgan he enlisted with The King Edward's Horse shortly after the outbreak of the late war, and what is required therefore is the date of his enlistment and also date of his discharge, and whether or not he was discharged with any pensionable disability. Cancellation proceedings outstanding.

The Certificate of Recommendation issued in connection with the above pre-emption expired on the 28th January, 1923. It has not been renewed.

The amount due on the pre-emption with interest to the 1st November, 1923, is $67[illegible].60.

Mr. Morgan was on military service from 1914 to 1919. He has performed no residence since his return. The land has not been cropped since 1919 [illegible] and there are no improvements on the pre-emption, fifty acres of which is fit for cultivation.

Mr. Morgan is in England. He wrote the Department on the 15th January last to the effect that he was unable to pay taxes as he had a wife and child to support on his wages, £3 per week. He further stated that he was forced to return to England on account of ill health due to war services. He was apparently anxious to dispose of his homestead.

Proceedings were commenced against the entry for non-payment on the 14th April, 1924. No defence has been filed.

The Registration Abstract, dated 4th July, 1924, does not record any encumbrances.

I would suggest summary cancellation.

Mr. Morgan completed the requisite residence duties in connection with his homestead and pre-emption by residing on the homestead for two periods of six months each and by military service from the Winter of 1914 to April, 1919. Six years cultivation duties have also been performed.

It might be pointed out to Mr. Morgan that under the Dominion Lands Act there is no way of relieving him of the payment of the statutory price of his pre-emption. Further, it cannot be considered that the Department has treated him harshly in this respect, as although he has held entry for this land for 14 years, nothing has been paid on account, while all payments have been overdue since May, 1910, the sum now due in this regard, together with accrued interest, being in the neighborhood of $2,000.00. It might be pointed out to Mr. Morgan that there are two ways in which he could obtain patent for his pre-emption - (1) by paying the statutory price (2) by obtaining an Attestation Certificate from the Soldier Settlement Board and having his pre-emption entry changed into a soldier grant, but he should be warned that if this latter action is taken he will be required to perform the requisite residence duties, i.e., 6 months residence in each of three years. The cultivation duties, however, could be regarded as completed, provided he is still the owner of his patented homestead. Mr. Morgan might be further informed that if he has an opportunity of selling the land it might be arranged to extend his Certificate of Recommendation for a reasonable length of time. If such certificate has been lost or mislaid he should execute the usual statutory declaration to this effect. He might also be informed that if he has a reasonable chance of making a substantial payment by the 1st of November next that an application from him for an extension of time until that date would receive careful consideration.

Sir:

S.E.¼ 17-24-8-W.4th Meridian.

I beg to direct your attention to the cancellation proceedings outstanding against your pre-emption entry for the above land, and to point out that your failure to reply to the several communications which have been addressed to you renders your entry liable to summary cancellation.

I may advise you that under the Dominion Lands Act there is no way of relieving you of the payment of the purchase price of this land. You will note that the Department has endeavoured to be lenient with you and although you have held the land for fourteen years nothing has been paid on account, and all payments are overdue since May, 1920.

There are two ways in which you could obtain patent for your pre-emption: first, by paying the statutory price; second, by obtaining an Attestation Certificate from the Soldier Settlement Board, and having your pre-emption changed into a Soldier Grant. It should be noted, however, that if this latter action is taken you will be required to perform the residence duties, that is, six months in each of three years. The cultivation duties could be regarded as completed, provided you are still the owner of your patented homestead.

In case you had an opportunity of selling your pre-emption, the Department might be prepared to consider an extension of the Certificate of Recommendation for a reasonable length of time. In this case the Certificate should be returned here, or in case it has been lost you should file a declaration to this effect. I may also advise you that if you have a reasonable chance of making a sale I would suggest that the last payment on account be made by the 1st April next your application for an extension of time until that date will receive careful consideration.

Kindly advise the Department [illegible] of this date as to your definite intentions in regard to this land.

S.W. ¼ 12 Sec. 23 Tp. 45 Rge. 15 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Secretary.

Your ref. - L-G-41.

I beg to acknowledge the receipt of your communication of the 13th instant and in reply I am to state that the entry of Charles Bolduc, who formerly held this land under soldier grant entry, was cancelled on the 22nd March last in view of a Declaration of Abandonment furnished by Mr. Bolduc dated 22nd February last.

Mr. Bolduc abandoned the land unconditionally. He stated that his reason for so doing was that the former entrant, F. A. Galarneau, required this land for his stock.

The land was posted for ordinary settlement on the 19th April last and Mr. Galarneau was the successful entrant.

The Minister of the Interior.

It is with pleasure that I have received your letter, File 2445125 and I am very happy at the attention you are giving to my case. Be assured also that under no pretext will I abuse it at all. I have need only always for the same reason, the war, which obliges me to make appeal to my only resource which is the money which I could draw on my patent for my homestead or which I have used my money as well as my work during the years which I have had the pleasure of spending in Canada to which I hope to return. I trust though that you would appreciate it, if my claim had not been made already, at its full value as I have declared it at the Land Office in Edmonton. It is my duty also to advise you that this land was particularly woody however I have succeed in clearing it up according to the law. I await therefore, with confidence and impatience, your reply which ought to be the recompense for my persevering efforts. Expecting better for me and for Canada and expecting worse for Wilhelm.

Very sincerely,

GOVERNMENT OF THE PROVINCE OF ALBERTA

DEBT ADJUSTMENT ACT

D-K-9

Land Titles Building
CALGARY, Alberta
September 28th, 1928.

E. J. Fream, Esq.,
Chairman, Seed Grain Adjustment Board,
[illegible], Alberta.

Dear Sir:-

Re:- Dominion Liens,
Thomas H. Hottage,
E.½ 32-24-11-4.

Thomas H. Hottage is indebted to the Dominion Government for the following advances of Seed Grain:-

1919 - $65.96
1920 - 94.20

He has repaid $30.00 which leaves the sum of $263.37, outstanding as at March 31st 1928.

In his application he mentioned that the Seed was required for N.E. 32-24-11-4, only.

This land is the debtor's homestead. He has left the country for parts unknown and has apparently made no arrangements for the land to be worked in his absence. While Municipal District No.214, the authority by whom this land is taxed, have not yet taken title to it, it is understood that, in the event of their being in a position to do so, they will then apply for adjustment of the Dominion liens registered against the land for the advances to Hottage in order that the land may be sold.

The Department of the Interior have reported that Hottage's indebtedness is a charge against N.E. 32-24-11-4, was cancelled pre-emption, now vacant Crown Land.

They have requested an apportionment of the indebtedness between the two quarter sections.

Each parcel is rough, stony and gravelly and worth about $100.00. They are situated near Cessford in a district which has suffered from drought. The debtor appears to have been unsuccessful and to have abandoned his farming operations on them.

In these circumstances, and, as, according to the application for the advances, none of the Seed Grain was required for the pre-emption, it is felt that it would be unjust were any of Hottage's indebtedness held by the Department of the Interior against the N.E. 32-24-11-4, to be assumed by any new entrant.

It is therefore recommended that none of the indebtedness be so retained, but that it remain as a charge only against the N.E. 32-24-11-4, since, in the event of the sale of the land following its acquisition by the Municipality, a payment on account of the indebtedness would be received from the proceeds.

Yours truly,

'Sgd' W. Moree.

Sir,

Re S.W.¼ 12-25-9, W.4th M.

I beg to acknowledge the receipt of your communication of the 6th instant in reference to your cancelled pre-emption entry for the above described quarter-section wherein you state that you thought there was sixty days within which to file a defence and that you would like to hold the land.

In reply I may say that cancellation proceedings were instituted against your entry on behalf of the Department on the 27th April, 1925, for failure to apply for patent within the required time and as no defence was filed and as one of our Homestead Inspectors reported on the 14th November last, that you had left the district two years ago, cancellation was carried out on the 23rd December, 1925, and the land posted for ordinary settlement in accordance with the regulations, on the 21st January, 1926.

Under the circumstances you will, therefore, see that you cannot be considered as having further claim to the quarter-section.

SEP 16 1925

Sir,-

... ½ Sec. 26 Tp. 61 Rge. 6 West ... Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

...

GOVERNMENT OF THE PRO[illegible] OF ALBERTA
DEPARTMENT OF [illegible]

7616764

EDMONTON, ALBERTA
September 24, 193[illegible].

[illegible],
Chairman,
Peace River Relief Adjustment Board,
[illegible], Alberta.

Dear Sir:

Re: Alex Wanchuk - Boyne Lake
N.W. 8-81-11- . 4th - Joint Relief
Indebtedness to D.F. of Agriculture $605.

In the Spring of 1936 this party obtained seed grain and relief advances in a total sum of $479.00. He repaid the seed grain advance in full in kind, but was been unable to make any payment on account of the joint relief which now stands as follows:

Principal	$434.45
Interest	504.40 $939.85

As security for this advance a lien was registered by the Director against the above described property and still stands thereon, and title to the land still rests in the name of Alex I. Wanchuk. Mr. Wanchuk is a married man with a family of 9 children aged from 1½ to two years old, and owing to recurrent short crops due to hail and frost he has experienced considerable difficulty in raising his family and keeping off relief. He owes approximately $3,000.00, the majority of which represents a charge against the land, and in the year 1936 he approached the Canadian Farm Loan Board to see whether he could obtain a loan sufficient to retire his total indebtedness, all creditors having expressed themselves willing to compromise on a liberal basis. Our share of this loan is in an amount of $[illegible], which has been duly paid to this Department.

3616764

A careful analysis of this account shows that the greater majority of the expenditure in 1910 went in the purchase of hay at a price of $[illegible] per ton. Taking this fact into consideration and also that Mr. Wanchuk is keeping his father, who is a man of 72 years of age, that other creditors compromised on similar terms, and that the Municipality recommends settlement be approved as the applicant is a good settler, I would recommend that upon application of the sum of $30.00 to the credit of this account all securities taken therefor be released and the under mentioned balance of principal, together with accrued interest be written off this account insofar as it affects the indebtedness of Alex Wanchuk to the Municipal District of Bonnyville No. 85, and the indebtedness of that district to the Provincial Government in respect of this account.

Principal $204.45.

Supervisor

ACTION TAKEN

Ottawa, 17th May, 1916.

Napoleon Genereux, Esq.,
Edmonton, Alta.

Sir,

I beg to acknowledge the receipt of your communication of the 15th ultimo, representing that you have completed the requisite residence portion of the settlement duties in connection with your homestead entry for the South West ¼ of Section 36, Township 60, Range 23, West of the 4th Meridian, and requesting an extension of time until the season of 1917 to complete the cultivation.

In reply I am to say that the Department regrets that it is contrary to the regulations to protect an entry of more than twelve months standing for such a period. I am to point out that you obtained your homestead entry on the 13th December, 1912, and have completed to date only five acres of cultivation, whereas the conditions under which entry was granted require the performance of thirty acres of cultivation, a reasonable proportion of which was to be completed in each of three years. I would recommend that you make very effort to have the area of cultivation increased during the present year. Your entry, however, will not be disturbed unless the Agent of Dominion Lands at Edmonton receives an application to cancel it, in which event you will be allowed sixty days within which to furnish a statement of defence. If your absence from the land is for an extended time, you should keep the Agent advised with regard to your Post Office address.

Memorandum:

Mr. Hume.

S. W. ¼ 26-66-23-W. 4th M.,

This is submitted for consideration of the application of Mrs. Emma Genereux to be permitted to make entry for the above described quarter section, which was held under entry by her husband, Napoleon Genereux, and who she claims has deserted her.

Cancellation proceedings were instituted on the 3rd April last on behalf of Mr. Jackson Foster, and the entry was cancelled by the Agent on the 7th ultimo and re-entry granted to the applicant for inspection on the 29th ultimo.

From the evidence on file it would appear that Mr. Napoleon Genereux, the late entrant, had completed his residence duties in the years 1913, 1914, and 1915 but had only broken and cropped five acres and cleared three. He had a house value $450.00, well $60.00, fencing $20.00 and hen house $50.00.

Letter from Messrs. Nichols & De Roussy, Barristers, stating that they were acting for Mrs. Emma Genereux and had been instructed that Napoleon Genereux deserted his wife and three children in July, 1915, and had never been heard from again. That Genereux obtained entry for this land in 1911 and that both he and his wife resided on same more than six months in each of four years from July, 1911, to July, 1915. That last year Mrs. Genereux applied to the Dominion Lands Office at Edmonton and was advised that if she would make application to the Department after two years of non-support she would be allowed to cancel her husband's entry and would be granted the patent.

Messrs. Nichols & De Roussy state that to their knowledge this is a very deserving case and this poor woman is in very despondent circumstances and requesting to be advised as soon as possible what steps should be taken to secure this homestead for Mrs. Genereux. That she states she has received no support whatever from her husband for the last two years and

that

that she personally, with her own hands performed most of the improvements on the quarter section.

They suggest that if anybody ever deserved a homestead this woman does.

In March, 1916, the entrant made application for an extension of time in connection with his settlement duties and on the 18th April, 1916, furnished a statutory declaration showing six months residence in each of the years 1913, 1914, and 1915.

House value $450.00.
Well " 60.00.
Hen-house " 50.00.
fencing, 5 acres, 25.00.

5 acres under cultivation.

His business was bad and he had to work at harvesting to get money enough in order to pay his fare to Montreal to get working at his trade, as a barber.

Please state action.

The Department is in receipt of a letter from Messrs. Nichols & De Roussy, Barristers, Calgary, on behalf of Mrs. Emma Genereux, the widow of Napoleon Genereux who held entry for the above land. Mrs. Genereux desires entry in her own right for this land on account of her husband's desertion. She claims that she applied to your office last year and was advised that if she would make application to the Department after two years of non-support she would be allowed to cancel her husband's entry and would be granted the patent.

I am to request you to forward some explanation to the Department as to the above statement, and also to detail a Homestead Inspector to visit this quarter-section and report carefully what has been done thereon either by the former entrant or by his wife. The Inspector should also obtain full particulars as to the duties.

In the meantime I am to request you to warn Mr. Foster not to take any possession of the land; and the Inspector should further ascertain whether Mr. Foster has been in occupation or made any improvements on the land.

COMMISSIONER
NOV 21 1917
DOMINION LANDS

MEMORANDUM:

Mr. Rome,

S.W.¼ of 26-63-25, W. 4th M.
Homestead, Jackson Foster.
Entry granted 19th of June, 1917.
Formerly homestead, Napoleon Generaux

The question to be submitted in this case is whether or not the existing entry should be cancelled and entry granted the alleged deserted wife of the former entrant.

I submitted this case on the 24th of July, last, and your recommendation to the Commissioner was as follows,-

"It is my opinion that Mrs. Generaux has a claim that should be looked in, possibly it would be advisable to warn Mr. Foster not to take possession of the land and to call for a report from our Agent at Edmonton as to the advice given Mrs. Generaux in connection with this matter, and also for a report from a Homestead Inspector fully setting out what has been done upon the quarter-section either by the former entrant or his wife.

"At the same time it would be advisable for the Inspector to ascertain whether Mr. Foster has taken possession of the land or made any improvements thereon."

This was approved by the Commissioner who also requested information as to the desertion.

The report from the Agent at Edmonton dated the 15th of August, last, is that his recollection of this case is that according to Mrs. Generaux's statement, her husband [illegible] the homestead [illegible] and [illegible] the homestead duties and [illegible] applied elsewhere shortly [illegible] deserted [illegible] [illegible] [illegible]

- 1 -

"There has been considerable brushing but has grown up as willow etc. Son-in-law of late entrant told me he had heard rumour of Mr. Generoux being dead but nothing certain. This was not a case of desertion they had been before the police Court with their troubles several times and were sharply reprimanded by the Magistrate, their reputation was rather unsavoury to say the least.

"Mr. Generoux had been running a barber shop in Stub. doing very little residence on homestead. His wife had been living on homestead almost continuous for 2 years or more and from report of neighbours had done all the work that was done on the homestead but only left the homestead prior to their final separation and has never been back to the homestead.

"I think that she is in any case entitled to the money paid for improvements but I do not think her claim for the homestead of sufficient merit to justify cancellation of present entry."

A letter from the Agent at Edmonton dated the 2nd instant states that the present entrant, J. Foster, has paid $25.00 for improvements which are worth $165.00 and requesting to be advised if his entry might be confirmed when he has paid the balance.

Please state if Mrs. Generoux is considered entitled to a refund for the improvements and further action in reference to the confirmation of Mr. Foster's entry.

Dear Sir:

Re S.E. of 26-66-23-4th W.
Your file 2445153 - Mrs Genereux.

We wrote you on July 14th last placing before you the claim of Mrs Emma Genereux, wife of Napoleon Genereux the entrant for homestead of the S.E. of 26-66-23-4th W. We had a reply from you on the 7th of August last stating that Mrs Genereux's application would be looked into and on the 4th inst. we were advised by the Dominion Land Agent at Edmonton that Mr. Napoleon Genereux's entry had been cancelled in favor of one J. Foster on the 29th of June last. From the facts as given to us by Mrs Genereux, the deserted wife of this man, we cannot help thinking that a great injustice is being done.

Mrs Genereux called at the Dominion Lands Office in Edmonton in 1916, long before this application for cancellation was made and explained the situation to the Agent there. She was assured that under the Act she was entitled to cancel her husband's entry herself and to obtain patent but that she would have to wait until such time

3991215

as she could proove two years of non-support. this time expired in July 1917 and she immediately came to us and asked us to make the application in her behalf. Apparently in the meantime Mr. Foster's application for cancellation was entertained without any notice whatever being given Mrs Genereux of this application and any opportunity for her to proove that the requirements of the Homestead regulations had been fulfilled. We presume that perhaps some sort of notice was sent by your Department to Napoleon Genereux but this man left the Province for parts unknown years ago, deserting his wife and homestead and she does not even know if he is alive yet. Your Agent in Edmonton had notice of the facts and had told Mrs Genereux to wait until such time as she could proove two years of non-support.

We wish to repeat further that Mrs Genereux offered to swear and would have sworn if she had been given the opportunity to do so that she had personally resided six months each year for four years from July 1911 to July 1915 on this quarter, that she worked very hard on this place, doing carpenter work, putting up fences, and breaking the land: in fact she did most of the work. She is now in Calgary with three children to support and depending on charity for a living.

We believe that this is one of the hardest cases of cancellation that we have heard of yet and we

and we would like you to give this matter your personal consideration and have this cancellation looked into and disallowed if it is still time to do so.

Expecting your reply at an early date, we remain

Mr. Royal,

Sir

Before I left Edmonton for Calgary in June 1916 I went to the Land Titles Office, & instructed them to let me know should any person try to cancel our homestead, as Mr. Deneresaux had gone to Montreal. I gave the same instructions last April, leaving my Calgary address. Having received news of Mr. Deneresaux's death, I applied to Ottawa for my patent, & received a reply stating that the homestead was cancelled. Mr. Deneresaux, myself & children lived on our homestead (S W., 20-66-13) from about June 1911, to 1915, almost four years. We cleared ten acres, erected about $300. worth of buildings, broke and fenced four acres & sunk a well. You will please understand that I have done most of the improvements & as I have two sons now old enough to farm the land, I would like to have my patent, as it is my children's property, & help future living.

Kindly advise me at your earliest convenience in above.

Yrs. Mrs. Emma Deneresaux.

I beg to acknowledge receipt of your letter of the 20th inst., with reference to the cancellation of your husband's entry for the S. ½ of 26-66-22 W. 4th. It is noted that Messrs. Nichols & McCarthy wrote to the Department on your behalf on the 15th idem. I might state that there is no record on file here that you notified at this office last April, and gave your present address. The cancellation notices were addressed to your husband at Athabasca, and also to two different addresses in Montreal. I might add that the present entrant has written to this office, stating that he cannot pay for the improvements, and that he wishes to abandon his entry. The usual form of abandonment has been sent to him for execution. If he abandons his entry, and the land becomes available, the Department might reconsider your [illegible], but I can give you no assurance that any change will be made in the decision already arrived at by the Department.

Your letter of the 24th inst. to hand and contents noted. We had already been advised by your agent in Edmonton that Mr. Foster had abandoned his entry and that he was willing to sign a form of abandonment, provided the fee paid by him was refunded. We trust that, under the circumstances as explained to you in our forletters, you will reinstate Mrs Genereux into the same rights as her husband would have and will not force her to make a new entry as a stranger, which would necessitate her residing on the land; this we are afraid would be quite impossible for her to do, as she actually lost her health on this place and has fulfilled all the requirements required by the regulations, both as to residence and improvements.

COMMISSIONER

24th April, 1918.

MEMORANDUM,-

MR. HUMB:-

S.E.¼ 26-66-23-W. 4th Mer.
Homestead - Jackson Foster.
Entered - 26th June, 1917.

This case was submitted by Mr. Thompson, in his memorandum of the 19th November, 1917, in which the facts were fully set forth.

The Commissioner ruled, "I think entry granted Foster might be confirmed on payment of the improvements".

The Assistant Deputy Minister, on the 3rd January last, issued instructions to the Commissioner that the decision given on Mr. Thompson's memorandum of the 19th November, 1917, was confirmed. (That is to say, Mr. Foster's entry would be confirmed on payment for the improvements on the land at date of entry).

A Homestead Inspector valued the improvements in question at $165.00, of which amount but $25.00 has been paid so far.

The homesteader was advised, by Head Office letter of the 8th ultimo, that if within thirty days he was unable to remit the balance due he should state his reasons for not doing so.

The Agent, in his letter of the 3rd instant, sets out that he has been advised by Mr. Foster that he expects to be able to pay the balance, $140.00, by the end of October next.

Please advise if the entry may be confirmed and the homesteader granted the extension of time requested to pay the balance.

Sir,

S.W.t 26-66-23-W. 4th M.

I beg to acknowledge the receipt of your declaration of abandonment in which you express your desire to abandon this land in favour of Mrs. Genereux, and in reply I am to inform you that the Dominion Lands Regulations do not permit a homesteader to abandonment in favour of other than his father, mother, son, daughter, brother or sister if eligible. Therefore your abandonment in its present form cannot be accepted.

MCL.

For your convenience I enclose a blank form No. 215 A which if you wish to relinquish your claim to this land unconditionally you should fill in and have the same executed before some person duly authorized to administer an oath and forward the same to the Agent of Dominion Lands at Edmonton for transmission to the Department.

Your obedient servant,

Assistant Secretary.

MEMORANDUM:

Mr. Mitchell.

S.W.¼ 26-66-23, W4th M.
Former entrant-Napoleon Genereux.
Date of entry-11th December, 1912.
Entry cancelled 7th June, 1917.
Re-entry granted Jackson Foster
29th June, 1917.

You have asked for a report in this case with reference to the desire of Mrs. Genereux to obtain entry in her own name for the above mentioned land.

This land was formerly the homestead of Napoleon Genereux, who it is alleged deserted his wife and was later reported to have died. Nothing has been heard from him since the 18th April, 1916, when he wrote the Department from 174 Martin St., Montreal, requesting an extension of time to complete his cultivation duties.

Mr. Genereux claimed in his sworn statement of the 18th April, 1916, to have completed his residence duties and had a house, well and other buildings on the land worth $560.00, besides some fencing and five acres broken and in crop.

It would appear that in 1915 the domestic affairs of the entrant and his wife were not running smoothly, and Genereux left his wife, going to Montreal, ostensively to earn money, leaving his wife and three children on the homestead without visible means of support.

Mrs. Genereux claims to have received assurance from our Agent, that having completed residence she could receive patent for the land after she could prove non-support for two years, and on the strength of this assurance left with her family to reside in Calgary,

there

where she has lived since that time.

Apparently no attempt was made to complete the cultivation duties and the entry remained undisturbed until Jackson Foster made application for inspection on the 9th of February, 1917.

The Agent sent the usual notices to all the known post office addresses of the entrant, including two different addresses in the City of Montreal, which did not produce any defence. Therefore, the entry was cancelled and Mr. Foster secured entry for the land on the 29th of June, 1917.

Shortly after re-entry was granted, Messrs. Nichols & De Roussy wrote the Department on behalf of Mrs. Genereux, setting forth that she was not in good circumstances and was most anxious to obtain the land, and further stated that nearly all the improvements on the homestead were the result of her own labours.

In view of the representations made, Foster was warned not to take possession, and the Homestead Inspector on the 10th October, 1917, reported the improvements consisted of a house and barn, valued at $140.00, fencing $10.00, and 3 acres of breaking, valued at $15.00. He further stated the entrant and his wife had been before the police court several times and received a sharp rebuke from the Magistrate, and that these people bore a rather unsavoury reputation.

The late Acting Deputy Minister approved the decision to confirm Foster's entry on receipt of the balance for improvements, he having only paid $25.00, when making entry, a further sum of $25.00 in April, 1918, and the balance of $115.00 in March of this year.

Mrs. Genereux claimed to have received news of the death of her husband. This, however, would not appear to alter her standing as re-entry had already been granted for the land on the ~~1st of January, 1918~~ 14 March 1917.

Our Agent received a communication from Mr. H.W. Hitchins of Athabasca, representing that Mr. Foster was sixty-six years old and not able to do the settlement duties, and furthermore was not able to pay for the improvements, $25.00 paid at time of entry representing all the money he had.

Mr.

Mr. Foster abandoned his entry on the 8th August, 1918, in favour of Mrs. Genereux, but the same could not be accepted as there was no provision in our regulations providing for such action, other than in favour of the relatives prescribed therein.

Messrs. Nichols & De Roussy have made strong representations to the Department on behalf of Mrs. Genereux, and judging from their communication of the 1st August, 1918, to our Edmonton Agent, would appear to have been endeavouring to effect some arrangement with the present entrant whereby he could relinquish his rights in favour of the deserted wife, and that it was the intention of Mrs. Genereux to reimburse Mr. Foster in the matter of the value of the improvements if he would release the land in her favour.

The sum of $51.05, collected for improvements from the present entrant has been paid to the Secretary of the Municipality for taxes assessed in the name of the former entrant.

Mrs. Genereux does not seem to have any grounds on which to obtain this land in her own name, which could be recognized by the Department, as it would seem that she may have left the homestead before her husband did, or at any rate very shortly after and made no attempt apparently to complete the cultivation duties.

The Homestead Inspector in his report discredits the residence duties claimed by the former entrant, and the entry was apparently seriously in default when cancellation was carried out.

There is no doubt that had Mrs. Genereux remained in residence on the land and furnished evidence of her desertion, her claim to secure the land in her own name would have been recognized by the Department.

Cancellation of the entry was properly carried out and re-entry granted to Mr. Foster in the regular way, and as he has now paid the full value of the improvements there would seem to be no grounds on which his entry could be disturbed.

Mr. 148752

17th March, 1920.

Memorandum:

Mr. Mitchell.

Major Sedman, M.P., writes you regarding the case of Mrs. Emma Genereux. A full statement of facts will be found below.

Mrs. Genereux appears to have been deserted July, 1915. The practice of the Department is that the deserted wife of an entrant may, if she continues in actual residence on the land, be recognized as applicant for entry at the expiry of two years from desertion and she may count any duties performed by her subsequent to desertion.

It is plain Mrs. Genereux has done nothing on the land since desertion.

She claims our Agent told her she might leave the land, but if you will turn to the Agent's letter of the 25th June, 1918, (marked by a slip) you will see that the Agent denies this and outlines plainly what he told Mrs. Genereux.

The land having been otherwise disposed of, I am unable to see any good reason for re-opening the case. If Mrs. Genereux is now a widow with minor children of her own dependent on her she is eligible to make homestead entry in her own name for any available land.

If she is not a widow, but can prove desertion and that she has minor children dependent on her she can make application to the Department to be re-recognized as the head of a family and if such application is granted she will be furnished with authority to make homestead entry in her own name.

The

She can also make application to the Department for a refund of the amount collected for improvements, less that has been turned over to the Municipality for taxes. In making such application, she might submit any evidence in her possession to show that the work on the land was done by her as she claims.

Mrs. Vera Generaux.
Application for refund
of improvement money.
.....

I beg to draw your attention to the memo on this file dated 3rd November last, which does not appear to have been submitted for consideration up to the present time. Mrs. E. Generaux wants to be refunded the sum of $115.95 being the amount due for improvements on the homestead homestead of her husband Napoleon Generaux. Napoleon Generaux has been missing since 1915; entry was cancelled in 1917. There is a report on file from a Homestead Inspector intimating that Mrs. Generaux is the person entitled to the money paid for improvements. As you are aware Section 37 of the Dominion Lands Act, gives authority for the refund of money in a case of this kind to the former entrant or "to any dependent or dependents of such persons adjudged by the Minister to be entitled thereto".

It would seem therefore that this money might be paid over to Mrs. Generaux. Please see letter of Messrs. Lougheed, Bennett & Company urging early action.

Respectfully submitted.

I should be deeply obliged if your Dep't would kindly inform me, if under the above mentioned circumstances, your notice re payment has to be complied with or if any steps can be taken to cancel his holding.

Sir,

[illegible] 36-31-1-4th W.
[illegible] of.- 2704.

I am in receipt of your communication of the 14th ultimo with reference to the desire of Mr. Guy A. Garen to have his pre-emption entry for the land above entered converted into a soldier grant, and the amount paid to complete the purchase price refunded.

In reply I may say that from the records here it would appear the final payment was made for the land after the date on which the Soldiers Settlement Act whereby a settler who's holdings consisted of a half section, or land to the value of five thousand dollars, was debarred from participation in the benefits of the Act with regard to a soldier grant, and in view of a recent ruling of the Department Mr. Garen's application in connection with the above land would receive favourable consideration.

It should be pointed out to this settler, however, that if he abandons his pre-emption with a view to converting same into a Soldier Grant he will require to comply with the terms of his entry with regard to cultivation, and military service will not count in connection with the residence duties.

Re. [illegible]
Pre-emption - Mr S. Bayer.
Your letter [illegible]

I am submitting this case to see whether Mr. Bayer's application through the Soldier Settlement Board to have his pre-emption entry converted into a Soldier grant and the purchase price, which has been paid in full, refunded.

In memorandum of the [illegible] February last Mr. [illegible] communicated with the department on behalf of this settler, requesting that his pre-emption might be converted into a soldier grant and asking [illegible] whether the pre-emption fees which had been paid could be refunded. In reply of the [illegible], Mr. [illegible] was advised that in view of a recent ruling of the department [illegible] Mr. Bayer's application might receive favorable consideration. It was pointed out that it would be advisable to communicate with the applicant and advise him of what was required in the way of settlement duties in connection with his soldier grant, and that his military service would not count as residence duties. When preparing this letter to Mr. [illegible] it was the intention at that time to favourably consider an application for conversion of entry such as mentioned, more [illegible] it was shown that patent had been completed before the Soldier Board had been made aware of the matter [illegible] to the Soldier Settlement Act.

I think the letter should be written - consideration of the following matter, might be regarded as a favourable answer.

If so the file will be sent to the writing of the letter [illegible]

The records [illegible] pre-emption was completed on the 1st October, 1918, and [illegible] 1917 [illegible] reported by the agent to have been [illegible] Soldier Settlement Act, [illegible]. Mr. [illegible].

I think that as the Soldier Settlement Board have admitted that they did not take adequate measures to protect the interests of this settler, the Department would be fully justified in view of Mr. Weir's representations, in meeting the wishes of the Board in this matter.

Under the circumstances, it may be decided to allow Mr. [illegible] to abandon his pre-emption entry for the purpose of re-entering for the land as a soldier grant, and when this transaction has been carried out, the money deposited by the Soldier Settlement Board in the Department on account of the purchase price may be refunded to the Board.

Please take the necessary action accordingly.

MEMORANDUM:

Re Pre-emption - [illegible]
S.E. 1/4 Sec. [illegible]

.....

The Soldiers Settlement Board ask for re-instatement of the pre-emption given to this lady.

On the 3rd ultimo, I made out a memo for Mr. Morris on the request made by this writer through the Soldiers Settlement Board to have the pre-emption entry cancelled into a Soldiers Grant, and the purchase price, which has been paid in full, refunded. Kindly refer to the report made by Mr. Morris which contains the facts.

The decision given on that report cannot be interfered. The fact, however, remains that this Soldier applied for a loan in July, 1914, and before the loan was granted the Soldiers Settlement Act 1919, was passed which prevented Mr. Owen from obtaining a Soldiers Grant. The District Office of the Soldiers Settlement Board should have notified Mr. Owen of this fact, but instead he [illegible] as a loan and the amount due on the pre-emption was paid. The above statement from the Board explains their action in this case, and in fact it would be [illegible] if cases which were dealt with by the Department in the [illegible] years of the late war. Further to your application to be permitted to convert your pre-emption entry for the above described land into a Soldier Grant, I beg to inform you that further representations have been made on your behalf by the Soldier Settlement Board which sets forth certain information which was not previously brought to the attention of the Department, and after very careful consideration of all the circumstances in connection with your case it has been decided, notwithstanding the privilege has been discontinued, to permit you to abandon your pre-emption entry and secure the land as a Soldier Grant.

For the purpose above mentioned it will be necessary for you to appear before the Agent of Dominion Lands, Calgary, and execute the necessary declaration of abandonment and make application for Soldier Grant entry on the regular form.

In this connection I may inform you that military service will not count as residence duties in connection with your Soldier Grant entry and it will be necessary to complete the cultivation duties as required by the regulations.

IN YOUR REPLY PLEASE QUOTE THIS FILE NO. 3445176

Department of the Interior
Canada

Ottawa 30th March, 1922.

Sir,

N.I. 30-31-1-W.4th M.

Further to your application to be permitted to convert your pre-emption entry for the above described land into a Soldier Grant, I beg to inform you that further representations have been made on your behalf by the Soldier Settlement Board which sets forth certain information which was not previously brought to the attention of the Department, and after very careful consideration of all the circumstances in connection with your case it has been decided, notwithstanding the privilege has been discontinued, to permit you to abandon your pre-emption entry and secure the land as a Soldier Grant.

For the purpose above mentioned it will be necessary for you to appear before the Agent of Dominion Lands, Calgary, and execute the necessary declaration of abandonment and make application for Soldier Grant entry on the regular form.

In this connection I may inform you that military service will not count as residence duties in connection with your Soldier Grant entry and it will be necessary to complete the cultivation duties as required by the regulations.

On receipt of your application in the Department properly completed the necessary steps will then be taken to refund to the Soldier Settlement Board the amount paid from the proceeds of the loan to complete the purchase terms of your pre-emption entry. A reasonable length of time will be allowed you to appear before the Agent of Dominion Lands and complete the necessary transaction.

A copy of this letter is being sent to the Agent for his information and guidance.

Guy L. Drewry, Esq.,

Sask.

Sir:

N.½ [illegible]-1 E. 4th M.
S.S.B. [illegible].

The above described quarter section was entered for as a pre-emption by Mr. Guy Lyndhurst Carson. It was subsequently decided to allow Mr. Carson to abandon his pre-emption entry for the purpose of re-entering for the land as a Soldier Grant, and when this transaction had been carried out the money deposited by the Soldier Settlement Board in the Department on account of the purchase price might be refunded to the Board.

Mr. Carson executed the required Declaration of Abandonment and secured re-entry for the land as a Soldier Grant. He made application for patent on the 11th April, 192[illegible], showing duties completed, and he was advised that patent could not be issued until his indebtedness to the Soldier Settlement Board had been paid in full.

According to the records here your Board paid into the Department, on account of the purchase price, $[illegible].43, and a refund cheque for this amount is being prepared in the Department and will be sent to you in the course of a few days.

Mr. Hume.

N.E.¼ 36-31-1, W.4th Meridian.
Soldier Grant - Guy Sydenham Gagen.
Entry granted - 11th April, 1922.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $1525.00 for stock, equipment and removal of encumbrances. In addition to the above land the Board holds a first mortgage on the S.E.¼ 1-32-1, W.4th Meridian, the settler's privately owned quarter section.

The entrant has applied for patent claiming duties as shown on form 68A hereunder. Apparently the duties have been performed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 6th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is not residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

MEMORANDUM.

M. 1871.

Re: HOMESTEAD BEFORE SURVEY.

No definite decision, so far as I am aware, appears to have been given with regard to whether a settler on land prior to survey should be called upon to comply with the cultivation duties under the Regulations in force when entry is made.

The case in point is that of Mr. Alex Morrow, who took up residence on the S.E. ¼ of Section 5, Township 52, Range 5, West of the 4th Meridian, according to the Surveyor's Declaration on file, in May, 1907.

This statement is contradicted by a further Declaration executed by Mr. Morrow recently, in support of his application for homestead patent, in which he states that residence was established on the 25th of October, 1908.

Mr. Morrow actually obtained homestead entry on the 1st of August, 1911.

As I understand the Regulations, he will require to break thirty acres, not fifteen acres as provided for in the Regulations of May, 1907.

Will you advise me if this is correct.

Yours truly,

Secretary.

Residence was not established until after the new Regulations came into force. He must therefore break 30 acres instead of 15 as stated in the original entry.
